Subject: EPA summary of public comments

Cara, I'm writing to inquire about the status of EPA's decision to provide us with a copy of the summary of public comments that EPA provided to the peer reviewers of the draft Bristol Bay watershed assessment. You had indicated over the telephone on August 24 that you needed to check with one more person before you could provide us with a copy of that document. I sent you a Freedom of Information Act request on August 28 that specified it.

Has EPA agreed to provide it?

Thanks in advance for checking.

- Rich
